Date: November 15, 2007

Sir:

Further to Applicant's Information Disclosure Statement that was e-filed on November 14, 2007, please find enclosed herewith paper copies of references that the USPTO EFS system would not accept electronically. These documents correspond to documents cited and that Applicants wish for the Examiner to review and consider. Since the USPTO EFS system will not accept what Applicants had sought to file on November 14, 2007 in an effort towards discharging the duty of candor obligations, it is not seen that the PTO system failure should result in financial hardship on Applicants. Therefore, an additional fee is not seen as necessary for the present submission.

If the Examiner has any questions, please do not hesitate to contact the undersigned
Applicant's legal representative.

Respectfully submitted,

Kendrew H. Colton
